

Alberts Impact Ventures are looking for their next intern!

About you

Are you a self-starter with a drive to create systems change?

Do you look for uncompromising returns – ways of achieving outstanding profits with world-changing impact?

Do you want to be empowered to learn and grow?

Alberts back pioneers who share a vision for a better tomorrow.

Think...

- Solving climate change through creating plastics from seaweed and using thermal energy to solve grid-level energy storage
- Combatting mental health through ensuring any helpline call is directed to and answered by the right resource and each caller is heard
- Ensuring we have a vibrant culture where each seat is filled and artists can be booked at the touch of a button
- Levelling the playing field by preventing maternal deaths in childbirth and creating workplaces that care.

About Us

Since 1885 Alberts has played a vital role in the evolution of Australia's media and popular culture, from the early days of music publishing through to the birth of commercial radio and television and the Australian pop and rock music industry. Driven by an entrepreneurial spirit Alberts has supported artists from AC/DC to the Easybeats to Baz Luhrmann and has never been afraid to back technological and social change.

Led by the fifth generation, Alberts is now focussed on impact investing, backing pioneering founders who share our vision for a better tomorrow.

We're looking for our next Alberts Impact Ventures intern to bring their unique perspectives into our team.

The role

Job title: Impact Ventures Intern

Employment: Casual

Salary: \$34.00 per hour + statutory superannuation contributions

Location: 2-3 days per week at Alberts – Sydney CBD

Duration: July – December 2023 (up to 6 months)

We're looking for you to...

- Bring a curiosity and willingness to learn and engage with pioneers and world-changing ideas
- Bring initiative to drive business momentum
- Support the Alberts team with your research, organizational and project skills
- Engage with the Alberts team, share your dream. We will empower your voice to be heard by creating a platform for personal growth with opportunities to learn on the job from Alberts business leaders

More specifically...

- Analyse new investment opportunities
- Deliver specific project(s) for a portfolio company leadership team
- Develop insights through market research
- Complete parts of investment notes as directed
- Data analysis of internal metrics and project specific tasks
- Write blogs and articulate your views on key themes
- Attend founder events
- Schedule optimised around your study commitments for the duration of the internship

Pre-requisites ...

- Ability to commit 2-3 weekdays including Wednesdays for up to 6 months
- Be in your penultimate year of an undergraduate degree or completing a masters
- Have a proven interest in both impact and investing in early stage companies
- Ability to work from Sydney CBD in order to maximise your immersion in the venture landscape
